

MLS-GPLX-11

LED Landscape Spotlight

LED Landscape Spotlight

The **MLS Series Landscape Spot Light** is a compact low-voltage outdoor lighting solution designed for accent and landscape illumination. Operating on **12/24V AC/DC**, it provides safe and efficient lighting for gardens, pathways, trees, architectural features, and outdoor decorative areas. With a warm 2700K color temperature, it creates a comfortable and natural outdoor lighting atmosphere.

Key Features — LED Landscape Spotlight

- Low-voltage operation (12–24V AC/DC) for safe outdoor use
- 4W energy-efficient LED performance
- 2700K warm white for natural landscape lighting
- Compact spotlight design for focused illumination
- Ideal for trees, gardens, pathways, and architectural accents
- Durable outdoor construction for long-term use
- Easy installation for landscape lighting systems

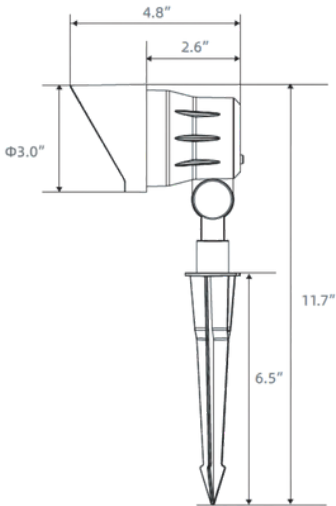

MLS-GPLX-11	
Color Temp.	2700K
Wattage	4W
Lumens	164LM
Voltage	12/24V

Dimension

Item	Length	Hight
MLS-GPLX-11	4.8" (121.9mm)	11.7" (297.2mm)

Technical Summary

Item Number	Description	Wattage	Lumens	Color Temp.	Voltage
MLS-GPLX-11	Led Spot Light Landscape 12-24Vac/Dc, 4w, 2700k	4W	164LM	2700K	12/24V

Construction

- Durable aluminum housing for outdoor durability and heat dissipation
- Compact spotlight body for discreet landscape installation
- Weather-resistant design for outdoor environments
- Precision-engineered structure for long-term reliability

Driver

- Low-voltage LED operation (12–24V AC/DC compatible)
- External driver required (system dependent)
- Energy-efficient and stable performance
- Designed for landscape lighting systems

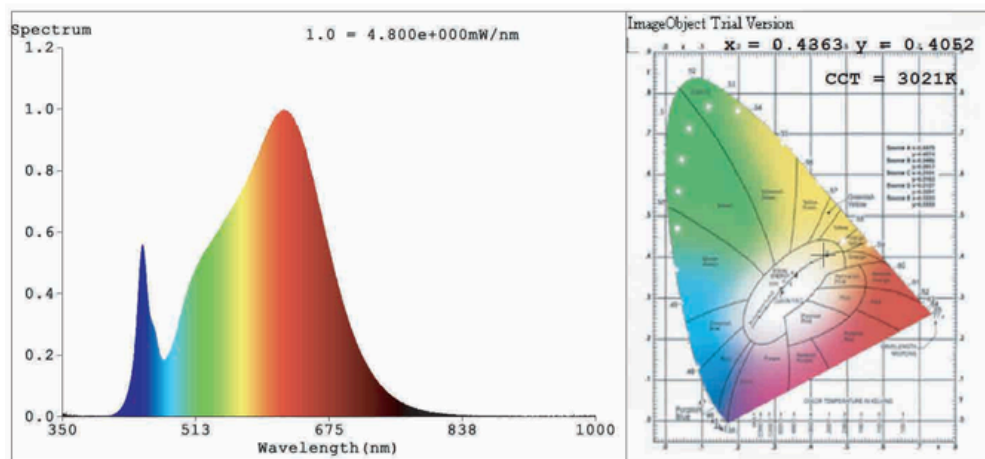

Optics

- 2700K warm white light for natural landscape ambiance
- CRI 80+ for accurate and consistent color rendering
- Focused beam design for accent lighting applications
- Controlled light distribution to reduce glare and light spill

Mount

- Stake or surface-mounted installation for landscape applications
- Compatible with low-voltage outdoor lighting systems
- Flexible positioning for trees, gardens, and architectural features
- Easy adjustment for directional lighting
